

OFYX™ Fiber Adapter Single-Mode OS2

SC/UPC, Duplex

MODEL NUMBER : FAOFYX-SMSUD

Specifications :

| Produkt Klassifikation   |                                      |
|--------------------------|--------------------------------------|
| Regional Availability    | Asia   Europe   Middle East   Africa |
| Portfolio                | SPARX®                               |
| Product Type             | Fiber Adapter                        |
| Product Series           | MM Fiber                             |
| Allgemeine Spezifikation |                                      |
| Mounting Type            | Full Flange                          |
| Total Ports Quantity     | 4Ports                               |
| Interface                | LC/UPC                               |
| Housing Color            | Aqua.                                |
| Body Styl                | Quad                                 |
| Material Specifications  |                                      |
| Insert                   | Ceramic                              |
| Housing Material         | Composite                            |
| Optical Specifications   |                                      |
| Intermateability         | TIA/EIA-604-10                       |
| Fiber Category           | MM (OM3/OM4/OM4+)                    |

| Regulatory Compliance/Certifications |                                                           |
|--------------------------------------|-----------------------------------------------------------|
| ROHS                                 | Free of hazardous substances according to RoHS 2011/65/EU |
| Packing                              |                                                           |
| Packaging quantity                   | 12PC                                                      |
